ESSAY RESPONSES

For the following essay questions, please attach a separate typed sheet. Answers to all questions are required to complete the scholarship application process.

1. Describe an individual who you consider to be someone who “gives back” to their community/church/school/organizations/etc. How and what do they “give back” that benefits others around them?
2. Do you feel it’s important to “give back” to others? What is something you can “give back” to others at this point in your life? How or what do you hope to be able to “give back” to others after college?
3. What business major are you considering? What draws you to this field of study? What do you aspire to be/do with your degree?

For the following, please attach a one-page typed response:

When you think of a great investor, who do you think of and why? What makes this person a great investor? What traits does this person possess that could be beneficial to you or others?
